

New Storage Box

New box and insert for compressors. One design for all four series (T, N, F and S-Series).

The box is primarily intended as a "storage" box, e.g. for packing from pallets locally. The box is no replacement for the present singlepack, which is approved for shipment purposes. The new box will not be used when you order compressors in single-pack.

Box
Insert

NL (N-Series)
FR (F-Series)
SC (S-Series)
TL (T-Series)
