

ASN status / Goods receipt status

Menu >> Delivery >> Advanced Shipping Notification >> ASN Overview

In ASN Overview, we can see ASN status:

- Draft – ASN created, but ASN not published.
- Published – Shipment started, Goods in transits
- Goods Receipt Complete – Goods received at Danfoss end
- Goods Receipt Partial – Goods received Partially at Danfoss end
- Closed – ASN closed by Danfoss

The screenshot shows the SAP 'ASN Overview' screen. The top navigation bar includes 'SAP', 'ASN Overview', and 'Supply Network Collaboration - GKNUDSEN - Business P'. Below the navigation bar, there are tabs for 'Exceptions', 'Demand', 'Purchase Order', 'Replenishment', 'SNI', 'Delivery', 'Invoice', 'Master Data', and 'Tools'. The main content area shows 'Active Queries' and 'Navigation Results'. Below this, there are buttons for 'Without Category Assignment', 'New Query (100)', and 'New Query (1)'. A 'New Query' section contains a 'Show Quick Criteria Maintenance' button and a 'Change Query' link. Below this, there are buttons for 'View: [Standard View]', 'Publish ASN', 'Cancel ASN', 'Copy ASN', 'ASN History', 'Show Related Documents', 'Print ASN', 'Print Version', and 'Export'. The main table displays ASN data with columns for 'ASN Number', 'Shipping Time Zone', 'Delivery Date', 'Delivery Time', 'Delivery Time Zone', and 'ASN Status'. Two rows are visible, both with 'Goods Receipt Complete' status.

ASN Number	Shipping Time Zone	Delivery Date	Delivery Time	Delivery Time Zone	ASN Status
